

RATE SCHEDULE “22P”

RESIDENTIAL AND SMALL COMMERCIAL PROPANE SERVICE

AVAILABILITY

Service under Rate Schedule “22P” is available to any residential customer provided:

- (a) The Customer is located within a thirty five (35) mile radius of the Authority’s office at 605 East Walnut Street Dickson, Tennessee; and
- (b) The Customer is served individually through a separate tank or meter; and
- (c) The customer meets the following definition of a residential customer:
Residential service is defined as service to single private residences, including the separate private units of apartment houses and other multiple dwellings, actually used for residential purposes that have separate tanks or meters.

CHARACTER OF SERVICE

Service under Rate Schedule “22P” shall be considered firm service.

NET RATE

The net rate for service under Rate Schedule “22P” for each billing period shall be the sum of the Customer Charge (for metered customers only), the Margin and the Average Cost of Propane.

Customer Charge: (metered customers only) \$6.00
Margin Charge: Changed annually to recover operating costs.
Average Cost of Propane (calculated monthly)

PURCHASE GAS ADJUSTMENT

The purchase gas adjustment will be the average cost of propane gas delivered into the Authority’s bulk storage calculated each month.

DELIVERY PRICING

SCHEDULE "A" DELIVERY:

- (a)** Gas delivered will be made on a scheduled **"keep full"** (route) basis, based upon customer's prior usage and degree-day. Deliveries will include customers designated by the Authority as route, meter, and/or budget billing customers. Customers on the "keep full" delivery system will receive a ten cents (\$.10) price per gallon discount and will not be charged for after hours, holiday or weekend deliveries.
- (b)** Keep full system customers who refuse delivery of scheduled gas will not be eligible for the route system discounted rate for the next delivery and will be considered a "call in" customer. However, a route system customer may refuse the gas delivery from March through August of each year and still not be reclassified to will call status.
- (c)** GDGA no longer accepts metered customers. A six dollars (\$6.00) monthly customer charge will be billed to remaining metered customers to cover the expense of meter reading.
- (d)** A route delivery customer requiring an after hours, holiday or weekend delivery due to an unpaid balance for a prior delivery will not receive a ten cents (\$.10) discount and will be charged an additional seventy dollars (\$70.00) minimum trip charge.

SCHEDULE "B" DELIVERY:

- (a)** Customer receiving gas by the **"call in"** method will be required to give five (5) working days notice (after the call is received) for the Authority to schedule the gas delivery. Only gas deliveries of one hundred fifty (150) gallons or more will be made. No minimum trip charge will be assessed when the above notice is given. Customers who do not give the above notice to permit the Authority to schedule delivery will be charged a seventy dollars (\$70.00) trip charge and only one hundred fifty (150) gallons or more will be delivered.

Payment Terms

Bills for service under Rate Schedule “22P” will be rendered monthly. Each bill rendered for service is due and payable on the date it is issued. The rates and charges under Rate Schedule “22P” are net, the gross rate being one and one-half percent (1 ½%) higher. In the event the current monthly bill is not paid on or before the last date for payment as specified on the bill, a one and one-half percent (1 ½%) late fee will be added to the total balance due.

RULES AND REGULATIONS

All service provided hereunder is subject to the Rules and Regulations of Greater Dickson Gas Authority which may from time to time be in effect.

SERVICE INTERRUPTION AND CURTAILMENT

Propane gas service under Rate Schedule “22P” is subject to the curtailment provisions contained within Rate Schedule “90P”, Schedule for Interruption and Curtailing Gas Service.
